

# aluminum scales, self-adhesive or with holes

## Item description/product images

### Description

**Material:**  
aluminum.

**Version:**  
Black anodized

**Note:**  
Rigid design aluminum linear scales with self-adhesive back or with screw holes.  
Cross section 15 x 2 mm.

Black anodized surface and high contrast graduations for legibility without shading.  
The graduations are deep lasered.

- On request:**
- Zero mark lower right or center
  - Graduations upper right or both sides
  - Other lengths
